Subject: ITC - WWTP and AOC
Attachments: ATT00001.txt

Hi, Ed,

Your voice mail indicates that you are out of the office today—are you available for a call or can you send me an email to let me know where the communications stand on a restart of the WWTP? Thanks.

Also, I have a couple comments on the SOW, which I will be sending and would like to discuss the language of the AOC specifying hazardous substances.

Thanks,

Aileen
